

## 2012 FAIR AWARDS SAN DIEGO HORTICULTURE SOCIETY WON

We're tremendously proud of our display garden at the County Fair Flower & Garden Show; read all about it in this July 2012 newsletter. Many thanks to everyone who made this fabulous temporary landscape possible. First and foremost we thank our tirelessly enthusiastic designer **Susanna Pagan**. Hats off to our tremendously capable and creative installation team: SDHS President **Jim Bishop**, garden designer **Marilyn Guidroz** and the hard-working students from the MiraCosta College Horticulture Department and **Turner Landscapes**.

Our garden won Nine important awards, the most we've ever won, and it is very gratifying that the judges thought so highly of our design. We thank the award sponsors for their generosity. The awards are:

- **Agri Service, Inc., El Corazon Compost Facility Award** donated by Agri Service, Inc. It is for "Best use of locally recycled mulch in a landscape setting. Award is to promote and educate Garden public on the use of mulch as a water reduction tool and as key to healthy soil and healthy plants."
- **Award Of Merit** from the San Diego County Fair. The garden was judged on the "quality of plant material, practicality of design, visual appeal of design, educational value, labeling, and appropriateness of lighting."
- **Dee Bennett Rose Award** is "For the exhibit which best demonstrates the use of roses in a garden setting." It is donated by Jadey's, Inc.
- **Don Diego Award** from the Fair for "the display by a non-commercial exhibitor with the best design, aesthetic appeal and plant quality."
