eGuide to a WaterSmart Lifestyle

Being WaterSmart means recognizing that San Diego County is one of only a handful of places in the country where you can enjoy indoor-outdoor living year-round. Having a WaterSmart home and garden allows you and future generations to enjoy the benefits of our region to the fullest – all the while spending less on water and more on life.

The “eGuide to a WaterSmart Lifestyle” is your go-to resource for living water-efficiently in San Diego County.

Learn About:

- Smart buys for plumbing fixtures and appliances
- Finding and fixing leaks
- Landscape design
- Water-efficient plants
- Outdoor rooms
- Gardening groups
- Graywater
- Stormwater
- Healthy soil
- Efficient irrigation
- Landscape maintenance
- Drought survival for gardens and much more
